

# ARE YOU A DISABLED PERSON AND DO YOU HAVE A DISABILITY CARD?

## Our facility

## has the « Handivisible » device!

Download our free « Handivisible » app!

### What is « HANDIVISIBLE »?

It is a device that **quickly warns the staff that you are queueing**. Thanks to it, you don't need to ask people to jump the queue.

### How to do it?

- 1 Download the « Handivisible » app on Playstore or Appstore at home and fill in your contact details and MDPH data.
- 2 Once we have checked your data, you can join the queue.
- 3 Turn on your Bluetooth function and your localisation on your phone.
- 4 Connect to your « Handivisible » app.

- 5 The staff is warned you are here by a sound and warning signal.
- 6 She/he asks the people in the queue to let you by.

### It's your turn!

For more information about the « Handivisible » device,  
take a picture of the QR code.  
Website and user's guide video : [www.handivisible.fr](http://www.handivisible.fr)

How to take a picture of the QR code?  
Open the « app » camera and place your phone in front of the code. If nothing happens, set up a scanning app for QR codes on your mobile phone.
